TLC for the Village

The Duchy have cleared several spaces in the Village. We are going to start a regular working party to keep on top of the overgrown foliage, and give the village some TLC where needed.

If you would like to volunteer your help, you can join us at 10:30am on **Sunday the 28th of July** at the Village Hall. Refreshments and Bacon Sandwiches will be available in the Village Hall afterwards.

The Spinney

You might have noticed that the brook has been polluted, but don't worry it's being looked into by Wessex Water and the Environment Agency.
