

Parish Council

The next Parish Council meeting is on **Thursday the 19th of September at 7pm** in the Village Hall. All residents are welcome. A representative from the University will be joining us to review the student car parking situation.

We are still waiting to hear from the Duchy of Cornwall office with regards to who has the responsibility for restoring the Village Fountain and from the Highways department with regard to restoring the fingerpost at the bottom of Smiths Hill.

Julian Ralley has built two noticeboards to replace the ones outside the Village Shop and you will see them go up this month. The Village Hall Noticeboard has been removed for a week for restoration.

Police Community Support Officer

The Newton St Loe PCSO, Rebecca Knocker, will be visiting us at the Village Hall on the 22nd of August from 10am to 11am. Feel free to drop in to ask questions or discuss any issues you feel relevant.

Development at West of England Falconry

This summer West of England Falconry is building a new, larger undercover Owl flight area and a new rehabilitation hospital for the wild birds that come into their care. Not only will this improve facilities, but The Owlery will be open from 10am to 4pm everyday from September onwards.
